

Distance Learning Support Centre

The Distance Learning Support Centre offers a supportive environment and access to a wide range of distance and online learning opportunities. Registered students have access to academic advising, learning coaches, computers with Internet access, a study area, and free invigilation of exams. The Distance learning Support Centre also provides technical support and assistance with the enrolment process, not matter what institution provides the course. Students access this service to complete their Adult Graduation Diploma, pursue a certificate, diploma or degree program.

For more information visit our office in the Evergreen Mall or call us at 997-7200.
